

One Day IENE Workshop:
Electricity Storage and Grid Management for Maximum RES Penetration
September 28, 2022, Crowne Plaza Athens City Centre, Athens
Under the auspices of RAE

Sponsorship Opportunities & Supporters' Benefits

Benefits for potential lead sponsor, sponsors and supporters include the following:

- 1. The logo and name** of each sponsor or supporter to be displayed in various ways, such as:
 - On the banners which will be located in the areas where the event is being held.
 - On the event's special pages in the internet, via www.energia.gr and www.iene.gr but also on the web sites of media partners.
 - On the event's official programme.
 - On all printed matter to be distributed to delegates.
 - On the video card projected on the screen through of the event.
- 2.** The possibility for a representative of the sponsor to speak during the event or participate in one of its panel discussions or to coordinate one of the sessions.
- 3.** The names of sponsors and supporters to be mentioned in all press releases which are sent out to the media. A number of Press Releases are foreseen before, during and after the event.
- 4.** Each sponsor or supporter is entitled to certain months' free inclusion of its logo on IENE's primary web site (i.e. www.iene.eu).
