

Venue

The SAKA Club, in its current form, was completed in May 2001 thanks to the efforts of the honorary President of SAKA Mr. Aris Manias '57, and following the generous funding of the Samourka Foundation and also to the contributions in money and in kind of a large number of Athens College graduates. The Club aspires to become a point of reference for graduates but also to help the purposes of SAKA in harmony with the purposes of the College.
